

# HAPPY BIRTHDAY!

Dear St. Clement's Parent,

Now is the time to join the St. Clement's School Library Book Club. The library offers this personal way of honoring students on their birthdays while helping the school library grow. Your contribution is used to purchase a book for the library in honor of your child's birthday. A book plate with the student's name and birthday will be in the front of the book, indicating that it is a special book for a special child.
